## 白茶

主產于中國福建省。採摘春季一芽二葉，白毫盡顯的肥嫩茶芽作原料，制作過程不經揉捻，只需萎凋及烘干兩道工序。烘焙時講究低溫，火候需適中。白茶乾茶葉態自然，色澤葉面灰綠，葉背銀白，葉緣微卷，芽葉連枝成朵。沖泡後湯色橙黃，清澈，散發一股由豐富的毫香及花香組成的香氣，細密而清純。滋味清甜圓潤，口感飽滿，是解熱下火，調適心情的清涼佳品，可全天候飲用。

White tea, originates from the Fujian Province, China. Only tender buds with two leaves each are plucked in early spring. The stout, young buds go through only withering and curing, bypassing the rolling process. Temperature for drying tends to be low and moderate. The dry leaves sport a natural form, greyish green on the surface and silvery white at the back, curl slightly at the edge, while the buds, leaves and stems adjoin, give a clear, golden-orange infusion with smooth, velvety flavour and pleasant floral aroma. Balanced and rich, this is an all-day drink that helps dissipate heatness in our internal system.

## THE FIRST OF ITS KIND IN MALAYSIA TEA MOONCAKES

In many ways, Purple Cane is synonymous with tea mooncakes. In fact, the famous tea house first launched this unique blend of premium tea leaves and festive delicacies back in 1998. Since then, there is no looking back - there is now a whole range of tea mooncake which is light and healthy, not too sweet and free of preservatives. The classic light crust green tea mooncakes with red bean paste, lotus paste, date paste or assorted nuts paste are really refreshing treat; traditional Cantonese crust mooncake with green tea, oolong tea, black tea or puer tea ooze with great taste.
